Escape and Reconnect!

SANCTUM

... presented by its founders Luuk and Gabriel

Founded in 2020 by Luuk Melisse and Gabriel Olszewski, WE ARE SANCTUM is a nomadic community based on a transformative wellbeing practice and mindful movement. Their concept: to create unparalleled harmony to strengthen the body, develop the mind and push physical, mental and spiritual boundaries.

An invitation to explore your capacities and go beyond your limits.

THE RETREAT

Transport yourself into a state of euphoria at the Hôtel Crillon le Brave in the heart of Provence, thanks to the power of dance and mindful movement.

In a setting filled with beauty, surrounded by soft, gentle nature, take time to breathe to the rhythm of electrifying music and release your emotions.

On your own, as a couple, or with friends, you can reconnect with yourself through these holistic and relaxing activities.

WHO'S IT FOR?

This retreat is for those who want a timeless experience, where relaxation involves disconnecting and unwinding. In the heart of Provence, reconnect with nature and your inner self, in an authentic environment with breathtaking views.
